BUILDING PERMITS STILL NECESSARY ACCORDING TO LOCAL ORDINANCE

Following the vote on Tuesday, May 14, a number of questions were brought to the attention of the Bethel Planning Board as to what the outcome will mean to the town.

Because of the affirmative vote on article 26—to abolish all zoning in Bethel—there is absolutely no zoning in effect in Bethel. Neither the zoning ordinance passed by the town in March 1967 nor the ordinance approved in 1958 are in effect. However, it is still necessary to obtain a building permit before building or altering present structures. This ordinance was put into effect on March 5, 1956, by an article reading "A permit issued by the Town Manager shall be required on all buildings hereafter erected in the Town of Bethel, and on buildings now standing which shall be altered, rebuilt or extended."

The Planning Board is still in existence and will continue to function as a body in local government. Its existence in Bethel was authorized at town meeting in March of 1957, and it operates under authority granted by Title 30, of the Maine Revised Statutes.

Because there is no longer any zoning the local Zoning Board of Appeals has ceased to exist. This body received its authority from the Maine State Statutes, Title 30, §4954, which states "The Municipal officers of a municipality which enacts a zoning ordinance shall appoint a board of appeals."

Another question that has been raised is how the loss of zoning will affect the tax evaluation recently conducted in the town. This tax evaluation will not be generally affected by the loss of zoning, but if an individual feels that his own property has been devalued because of an offense intrusion in his neighborhood, he can apply to the Assessors for a reduction in his taxes.

The Planning Board shall still continue to regulate the subdivision of land. The board is given this authority through the Maine State Statutes, Title 30, §4956, which states that "A register of deeds shall not record any plat of a proposed subdivision until it has been approved by the planning board and the approval noted on the plat. The Subdivision Regulations of Bethel are the policy that the board uses to judge each subdivision."

On June 13, the Planning Board will begin its schedule of meetings open to the public the second Thursday of each month. Any person wishing to come to this meeting will be welcome.

P. T. A. TO HONOR LIBRARY WORKERS AND RETIRING TEACHERS

The final meeting of the Bethel P. T. A. for the current school year will be held Tuesday, May 21, at Crescent Park School. New officers, chosen by the nominating committee headed by Arnold K. Brown, will be installed to serve for the coming year.

The meeting will also honor three teachers who are retiring this spring. Mrs. Doris Lord has served Bethel schools for 39 years. Mrs. Lillian Bartlett has taught in Bethel 11 years. This has been Mrs. Alice Plummer's only year in the Bethel schools, but it completes 26 years of teaching experience. It is hoped that there will be large turnout to honor these women.

The 14 Crescent Park School library workers also deserve a vote of thanks. Of these 14, eight were on library duty during the school hours when the library was open. The other six, Mrs. Clorissa Palmer, Mrs. Virginia Keniston, Mrs. Robert Chasse, Mrs. Neva Coolidge, Mrs. Mary Chadbourn and Mrs. Barbara Greenleaf, deserve special mention for the year they have spent re-cataloging the books in the Crescent Park School library. The work was started in October and is still going on. Hopefully it will be completed by the end of the school year.

SENIOR CITIZENS ENJOY SIXTH ANNIVERSARY

The sixth anniversary of Bethel Group of Senior Citizens was a delightful occasion. It was a combination of good weather, good food, good music and fellowship of good people.

Eighty-one members and guests were present at Garland Chapel and took an enjoyable part in the two hour festival of music. The president, Mrs. Walter Bond, extended cordial greetings. Rev. W. Seldensicker was minister of the day.

Mrs. Mildred Lowell, Mrs. Florence Burgess, Mrs. Mary Hall, and Mrs. Susan Martin were honored for having May birthdays. Visitors from Augusta and Norway were welcomed.

Mrs. Florence Thurston at the piano accompanied the varied selections. Mrs. Madge Vogt, Hershel Glines, Nesta Littlefield and Virginia Walker led the group singing and gave enjoyable choices of Mother's Day favorites. Philip House was there with his accordion and the inimitable Roland Glines with the bones. Mr. and Mrs. Charles Knauer of Dixfield gave two fine selections.

And the ratlers of the old Chapel rattled as the strong voices of the happy group just sang and sang and sang!

ZONING ABOLISHED IN TUESDAY VOTING

Going to the polls in numbers unprecedented for a local issue, Bethel voters decided to abolish local zoning in Tuesday balloting at the Bethel Fire Station. The final tally showed that 527 voters favored the article to abolish zoning, while only 206 voted to retain the ordinance. Zoning opponents needed 489 votes in favor of the article to over-ride a Bethel Planning Board recommendation for a "no" vote. A proposal opposed by the Board required a 2/3 vote for enactment.

In the voting on whether to establish a Bethel Sewer District, local voters followed the recommendation of the Board of Selectmen for a negative vote. The measure was turned down with 532 No votes, while 177 Yes ballots were cast.

All of the 23 other questions on the "zoning" ballot were defeated by an average of 210.1 Yes, to 303.5 No. These articles concerned proposed changes in the repealed ordinance.

Much dissatisfaction had been evidenced in the zoning code in Bethel, especially since the first of the year, and it was clearly shown that the opposition's efforts were not in vain.

The town initially adopted a zoning code in September of 1958. The first code was supplanted by one prepared by the James Sewall Company of Old Town as part of the town's "comprehensive plan", at the March 1967 town meeting.

"20 SECONDS WITH THE NAZARENE"

"Not forsaking the assembling of ourselves together, as the manner of some is; but exhorting one another; and so much the more, as ye see the day approaching."

Christians are supposed to be soldiers of the Cross. A lot of Christians must be A.W.O.L. on the Lord's Day. Let us not desert the ship — "fellowship" — "worship" — "membership" — Remember we promise the Lord to be faithful soldiers!

GREENWOOD CITY

Mrs. Collista Morgan, Corres. — Early Saturday morning while at the lines hanging clothes, with the sun just peeping over Noyes Mountain directly into my face, a full mellow voice containing such delicate trills and liquid notes greeted me. From a stone yonder by the trees, my wood thrush glanced around with vigilant eye, nodded and seemed to say "Hello, old friend, have you been waiting for me?"

Indeed I had!

From his favorite boulder, then from out of the woods he continued on and on.

His song is hard to describe, it is so confluent, soft and rich, seeming to possess all the musical qualifications derived from Nature's self.

The Hermit Thrush, too, will soon greet us. Its voice has the same sweetness and purity of tone but not as powerful and has a ventriloquial effect.

At nesting time three or four bluish green eggs deposited in a nest in the forks or on horizontal boughs or bushes or trees, made of grass, weeds, leaves and some mud, Mr. has little more to do than to sing his mate to repose so he attunes his pipe anew.

Having glorified the Southland in winter we welcome him here to give forth all the notes that nature has imparted to him. Like our northern mockingbird, the cat bird, the mellowness of his song with varied modulations and brilliant executions are unrivaled in our home forests.

Mr. and Mrs. Robert Holt, Oldtown, were week end guests of Dr. and Mrs. Leonas Holt.

There was a forest fire near Diamond Ledge, Saturday afternoon. Prompt action by the men on the scene and quick response by the Greenwood and Norway fire departments soon brought it under control.

Mr. and Mrs. Fred Curtis were at the C. M. G. Hospital this week to visit a friend, Eddie Graffam.

Raymond Hakala, Otis A. F. B. Massachusetts, was at the home of his parents, Mr. and Mrs. Stanley Hakala this week end.

MRS. LESTER COOLIDGE

Mrs. Marlon S. Coolidge of Bethel died Friday, May 10, 1968, at a South Paris nursing home following a long illness.

She was born at Harvard, Mass., Sept. 23, 1907, daughter of Herman and Grace Grover Skillings.

Her family moved to Bethel during her childhood where she attended the Bethel school system and graduated from Gould Academy in 1926. She entered the field of teaching in a rural school area and attended summer school at Gorham and Farmington Normal Schools.

On December 24, 1938, at the age of 31, she and Lester Coolidge Sr. were married and in 1941, she left her teaching career to take over duties of a mother to her two stepsons, Lester Jr. and William.

She returned to teaching in 1946—continued teaching rural areas until her illness forced her to retire from the profession in 1965.

Marlon went through her long period of illness with amazing courage. She did not complain and make things more difficult for those who loved her. Her one lifetime dream was for the kind of log cabin which she and Lester finally were able to build. They had the happiness of living together in the new home for ten months before she was confined to the Andrews nursing home in South Paris.

She appreciated so much the many friends and former students who came to visit and bring cheer to her.

Survivors include her husband, Lester E. Coolidge; two stepsons, Lester Coolidge Jr. of Locke Mills and William Coolidge of Hastings, Mich.; a brother, Albert Skillings of Bethel; a sister, Mrs. Joan Coolidge of Bethel; and 10 step grandchildren.

Funeral services were held Tuesday afternoon from the I. W. Andrews and Son funeral home, South Woodstock. The Rev. George Stebbins of the Bethel Methodist Church officiated. Interment was at the Riverside Cemetery.
